ACTIVATE CELLS, RESTORE VITALITY WITH

# RAINBOW & ZENBEAM MINI

## THE SOLUTION FOR BOTH HEALTH AND BEAUTY

Offering two distinct **Medical Far Infrared** devices designed for the individual parts of the body; the whole body; as well as devices specifically for the face and joints.

### FOR AESTHETIC CHALLENGES

- Refines the skin for optimal anti-aging
- Reduces visceral fat
- Provides weight reduction
- Helps wound recovery and regeneration

### FOR MEDICAL CHALLENGES

- Increases immunity and fights disease
- Helps promote blood circulation
- Detoxes the body
- Relieves joint pain

To learn more about how Dermaquip devices can turn consults into patients and increase practice revenue, please contact us.

## Clinical Proof gives peace of mind for you and your patients

### WOUND HEALING

After the face-type MFR-320 was used on the swollen and injured area, it was found that the swelling went down.

### VISCERAL FAT REDUCTION

CT scan was performed to measure the cross-sectional area of the abdomen. As a result, effects on visceral fat reduction were clearly shown.
